

DETAILS FOR THE NIGHT

- I'm flipping the script tonight to accommodate some dynamics in the MS schedule. We'll start our night with a snack & hangout time down in the FLC & South Lobby.
- It's best if everyone enters through the **South doors**, but if anyone does come in the North, they can simply walk down the hall.
- When we do head to the Worship Center for worship and lesson, please be sure to **grab your small group questions sheet** on the sound booth counter.
